Cross Country - Thursday 2 June 2022

Our annual Cross Country is being held Thursday 2nd June, beginning at 1:30pm (postponement date 3-6-22). Students will be grouped according to their age on 1st January 2022.

The course this year will be highly visible as it encompasses our school field and the Plunket street hill.

Training for this event is beginning now so please ensure your child has their P.E gear in their bag. If your child cannot train due to a medical condition or if they are freshly recovered from COVID, please give them a note excusing them from training for that week.

Everyone has different strengths and weaknesses. As a school whanau our motivation to include cross country as part of our curriculum is based upon our

- Desire to strengthen children's heart muscle. We want our children to have fit hearts that will serve them a long, long time.
- A desire for each individual to rise to meet a physical challenge at their own level.
- A desire to provide and opportunity to shine for those who are talented athletes.

Makeup at school

* Of late some of our girls have taken to applying mascara and lip gloss at school and sharing these items between each other. This practice can potentially spread covid and other medical conditions. Please speak with your child about limiting their make-up application to the weekends and holidays.

* The same applies to chewing gum. There is no need for it within school hours at school.

Illness

Covid continues, however we are seeing the emergence of a stomach complaint prior to the presentation of common covid symptoms. Please continue to keep your child home if they are unwell.

Best of luck at the Motocross Schools Event.

Drew McDermott and Hunter Pyke are representing DIS at the King of Schools Motocross Championships in the Bay of Plenty this weekend. Both Drew and Hunter are aiming for top 10 placings. We wish them the best of luck.

Board of Trustees Triennial

Elections

How about becoming a trustee and using your skills and experiences to help shape a positive future for our children?

Board members are entrusted by the community to ensure the success of our schools and a bright future for our children. We need an education system where all children are expected to succeed and one where we all take shared responsibility in ensuring this happens. As a member of a school board you can make things happen - you can make a difference.

-Lorraine Kerr NZSTA President.

We have BoT elections coming up during term 3, parents please give this some thought, we will be calling for nominations of 5 parent representatives.

Fro more information please don't hesitate to contact the school and they can direct you to one of our current BoT members.
