Dear Parents/Caregivers
Kia ora koutou

A Special Welcome

A special welcome goes out to Mrs Crystal Shannon, the new full time teacher of Room 9. Many of our students already know Mrs Shannon which has allowed for her positive integration into our school whanau.

A special welcome back to Mrs Terriane Takulua who is relieving in Room 3 until the end of Term 2, as Whaea Danielle is on leave. We are extremely fortunate to have such a skilled practitioner support our students.

Northern Wairoa Cross Country Postponed

Unfortunately this event has been postponed until Term 3, due to high absenteeism and sickness affecting all our local kura.

Matariki Social - Thursday 23rd June

Our school is having a social to welcome in the Maori New Year on Thursday 23rd June, 7pm till 9pm, in our school hall. This is an invite only event for our students. At this stage all our students are invited, however this is dependent on their on-going positive behaviour. Tickets will be issued on the afternoon of Thursday 23rd June.

All students must be physically collected from the hall at 9pm. They are not permitted to walk home.

Entry is free, however food items and drinks will be on sale at \$1 per item. Dress code is tidy casual. Cell phones and bags will be collected upon entry to the hall.

If your child is asthmatic please ensure they have their inhaler on their person.

There is no school the following day as it is our first Matariki Public Holiday.

Winter Uniform

Long black uniform pants are supplied by Matich's Surfwear, not via our school.

Black jackets may be worn to and from school, however these are to be removed once indoors as all rooms have heat pumps.

Teacher discretion will be applied upon whether the jacket can be worn at break times. This will be based upon weather conditions and student wellbeing.

Running

Just running and sprinting.

I won't stop, I can't stop.

I ignore the pain.
The jolt of hurt given with every step.
I ignore it all.

I am hungry, thirsty, and tired.
I rush past someone who looks just how I feel.
My body once again screams at me to stop, but I never will.

I can see the finish line.
I pass another person, eager to finish before him.
But he is not happy.
He runs.
And he runs fast.

But so do I.

And finally, I cross that line.

Immunisations

If your child

was away on June 13th and missed their Y7 Boostrix immunisation, then please take them to the Medical Centre to have it, as there will be no catch up clinics at school

Oral Care Products Recycling

As of the 20th June, Terracycle will only be accepting Colgate products.

DIS working closely with DoC

The Enviro students have planted some new hebes around the school, these were donated by Andrew Knock from Department of Conservation. Andrew also passed on his wealth of knowledge about NZ hebes.

His visits give the students a connection with

environmental conservation agencies working around the Kaipara. They eagerly asked questions about his job, as a Biodiversity Ranger

Board of Trustees Triennial Elections

How about becoming a trustee and using your skills and experiences to help shape a positive future for our children?

Board members are entrusted by the community to ensure the success of our schools and a bright future for our children. We need an education system where all children are expected to succeed and one where we all take shared responsibility in ensuring this happens. As a member of a school board you can make things happen - you can make a difference.

-Lorraine Kerr NZSTA President.

We have BoT elections coming up during term 3, parents please give this some thought, we will be calling for nominations of 5 parent representatives.

For more information please don't hesitate to contact the school and they can direct you to one of our current BoT members.
